Waveland annexes, 1st time in 62 years

Waveland's first territorial expansion in 62 years became effective last Wednesday.

Much of the old Bay St. Louis Land and Improvement Co., subdivision, all of Waveland and the colored community of Middleburg are in the annexed area. It will more than double Waveland's size.

Mayor Garfield Lezard said afterward, "I'm really happy to see Bay St. Louis and Waveland put together on this. I hope any expansion they undertake to meet their needs will be successful."

Waveland already is providing fire protection to most of its annexed area on Robert Lezard, chief of the volunteer fire department, testified at the hearing. The town plans to extend garbage collection and police protection into the area within 10 days while a feasibility study will be conducted to determine water and natural gas needs. Advertising for bids to extend these services on Nicholson Avenue and across U.S. 90 were authorized Tuesday night.

Testimony was introduced showing that Waveland's population in the 1950 census was 793. By 1960 it had grown to 1,106, an increase of 39 per cent. The special census made last fall by the county for its redistricting suit showed 1,965 now residing there. This is an

A small delegation headed by Johnny Wallace went before the trustees of the Bay St. Louis Separate Municipal School District Monday night with complaints about Valen C. Jones' school. Superintendent Joe D. McCullough explained that items of individual and personal nature should first be taken up with him and not until after that with the school board.

One general complaint made was in connection with the condition of the restrooms at the school. Trustees were told that many students would not flush properly, with resulting water on the floor and a disagreeable smell. Although board president Robert Hamilton advised this condition would be looked into and corrected immediately, he also explained that in the near future an \$84,000 remodeling plan at V.C.J., including new restrooms at a different location, would be undertaken as soon as the final plans were approved in Jackson and Washington. their city," Carter said yesterday.

He said the group was obtaining legal opinions on whether or not the beach area was on the beach area of the city and county lands. If on the city and county lands, it is intended to ask voters for approval to clean up the beach area. If such a law does not exist, then efforts will be made to have it enacted.

The same approach is to be directed towards dilapidated property.

In certain sections of the county, where a high rate of absentee ownership exists, the owner of property will be contacted by mail. Lezard will be forwarded in an attempt to have them clean up their holdings.

"Several groups are already working on the project and have been for some time. We hope to be able to do the same thing for the beach area," Carter said. He especially cited the clean-up campaign of the Methodist Church in Waveland, the Bay-Waveland Garden Club and a group at Paradise Point. Volunteers are still required by most of our committee chairman, he said.

We're growing A&P to open

A and P Supermarkets, presently undergoing a general expansion in the South, will open their first store in Hancock County at 8 a.m. Monday morning.

Located at 707 Dunbar Ave., in the Bay St. Louis Mall, the store will be managed by O.W. Pierce, assisted by O.W. Stearns. Other department heads are: Larry Cantrell, meat; James O. Hoot, produce and R.W. Callahan, coffee-dairy. Supervisor for the area is J. W. Hoot.

The 13,700 square foot of floor area store, with five check-out stands, has a 220 automobile capacity parking lot. Operating on the self-service principle is designed to provide the shopper with the best in quality merchandise in the quickest possible time with the minimum of effort.

During opening celebrations the store will give away a Philco freezer, with over 450 packages of frozen foods, a Magnavox color television, several boxes of groceries and other prizes. Pierce said yesterday that it will not be necessary for visitors to make purchases to qualify for the prize drawing nor need they be present at the drawings to win.

City pushes plan to expand boundaries

An annexation ordinance, to roughly double the city's size, is now in the mill for Bay St. Louis.

The decision to proceed with the expansion at an early date follows the city's agreement not to oppose Waveland's annexation if the latter would reduce its claim for more land immediately adjacent to Bay St. Louis.

The city's attorneys, Favre and Griffin, are to draw the ordinance as soon as the land description is completed by Lucien H. Raymond, Jr., surveyor.

Under the latest plan, the corporate boundary would fan northwest from the southeast corner of the old Louisville and Nashville Railroad and pit to along the new Waveland line between Henderson and Bouslog Streets. It would follow this line north, crossing U.S. 90, until it intersects with Washington Road.

From there it would go about one-quarter of a mile west of Drinkwater Road, then north one-eighth of a mile west of Joe's Bayou Road and out to the Jordan River.

Raymond said so far as he knew this would be the first substantial annexation for the city since it was incorporated in 1858 as Shieldsborough.

The present corporate limits run north-south just west of Dunbar Avenue. The expansion would take into the city the Johnnes Shopping Center with Winn-Dixie, TG&Y Family Center, Gulf Drug and Sars, this providing more sales tax dollars for Bay St. Louis. It also embraces the new Bay Senior High School and residential development.

Waveland sales tax vote Tues.

Waveland citizens vote Tuesday on a proposed increase in the town's sales tax from one-half cent to a full one cent.

The long polling precinct at Town Hall will be open for voting from 7 a.m. to 6 p.m. and all qualified electors in the town may vote.

The ordinance, adopted in early January by the mayor and board of aldermen, provides for the increase to be effective March 1 if ratified by the electorate.

The higher rate, doubling the present town sales tax, would bring Waveland into the same tax bracket as the vast majority of municipalities in Mississippi. It is estimated to net about \$9,000 in additional revenue for the general fund.

Aldermen said at their meeting Tuesday night that they consider this the fairest means of taxation, particularly with the summer visitors who enjoy local improvements.

A tabulation of sales tax receipts from 1960 through 1966 compiled for the town's annexation case this week shows this revenue has increased 47.9 per cent in the seven years. In 1960 the take was \$6,316.93. It climbed to \$7,525.98 in 1964 and the following year jumped to \$9,033.65. For fiscal '66 it was \$9,340.93.

Exempt from the one cent levy would be sales of farm products.

Advance to finals

Tigers' purr in high gear

Miko (Go-Go) Necoise had the flu and it slow him down somewhat in the District 8 Class AA Sub-district Tournament last week in Bay High's Tigerdome.

He was only able to score a total of 119 points for a 39 1/3 point-per-game average, exactly the same as three weeks ago in Bay High's annual tournament, as the top-seeded Tigers romped to victory in the sub-district tournament. Bay High scored 195 points during the three games, Necoise accounting for 61 per cent of them. The Tigers gave up 148 points.

Next step up the ladder for state honors is the District 8 play-offs for boys and girls being played this week in the Tigerdome. Next week is the South Mississippi Tournament at Gulfport, winners and runners-up advancing to this affair.

In the final Saturday night against George County High, of Lucedale, witnessed by about 2,000 fans, the Tigers started strong but the Rebels never quit and came within three points of the leaders at half-time. Throughout the second half they used a full court press, played with their heads-up, sealing the ball several times, to keep coach Wimpy Seymour on the edge of his chair, especially after Necoise was charged with four fouls.

Quarter scores:
BH 23 12 14 9 - 58
GC 17 15 11 6 - 49

Necoise hooped 18 field goals and 6 free throws for 42 points with Anthony Ladner adding 8, Freddie (Bomber) Breland, 4; Don Freeman and Mike Lamb, 2 each. For George County R. Pouncy and W. Hatcher scored 12 each and N. Neely, 11.

In their first game of the tourney, Thursday, the Tigers smothered Moss Point, 82-55, Necoise scoring 49 this time. He was obviously weakened from the flu and only scored 3 points in the first 8 minutes but hit 8 of 10 field goal attempts in the second period. He got 3 points in the first quarter, 18 in the second and 44 each in the third and fourth.

Quarter scores:
BH 11 24 18 29 - 82
MP 6 15 22 12 - 55

Next, the Tigers clobbered highly-rated Pascagoula, 55-44, Friday, lead by the ailing Go-Go with 28 points. The Panthers crept to within one point of the Tigers, 42-41, in the final minutes but Bay High rallied and scored 13 points in the final four minutes. Ladner accounted for 10 points, Lamb, 8, Breland, 6; and Freeman, 3.

STILL ON FORM - Mike (Go-Go) Necoise shines off court of defenders as he attacks opponent's hoop during final of District Play-offs on Saturday in Tigerdome.

Free throw proves out

With two seconds left in the game, Kenny Hode sank a free throw giving Hancock North Central a 70-69 victory over Philadelphia Saturday night in Hancock's gym. It was the Hawks' final scheduled game of the season but they will resume action Thursday night in the District 8 Class A Tournament in North Central's gym.

Big Ronnie Soucier was the difference Saturday getting 29 points and snagging 21 rebounds. Louie Ladner chipped in 14 points and Hode 11.

Going into the final frame, the Hawks held a 54-49 lead but Philadelphia tied it up, 69-69, with one minute remaining. Neither team scored until the final two seconds when Hode was fouled. He sank the first shot but missed the second. Philadelphia getting the rebound but were unable to score as time ran out.

Hawks set to peck leak in Leakesville

Hancock North cagers open the annual District 8, Class A Basketball Tournament last night when they met Leakesville in the first half of a consolation game in the Hawk gym. Purvis collided with Pearl River Central in the nightcap.

The Hawks, coached by Paul Thomas, last year's coach of the year, open the girls' competition against East Central at 6 p.m. tonight, Thursday.

Notre Dame of Bilboi is top seed in the boys' bracket, but coach Roland Ladner's Hawks, who are relatively young and inexperienced, have improved during the latter part of the season and could upset the apple cart. North Central is an old hand at winning district and state tournaments. Last year, coached by Wendell Ladner and quarterback Kenny Randall, the Hawks not only won the district tournament but advanced to the state championship. This year coach Ladner is depending on Louie Ladner, Ronnie Soucier, Clyde Moran, Kenny Hode, Guy Necoise and Greg Shaw for his probable starting line-up. Boys' bracket Wednesday.

7 p.m., HNC vs Leakesville; 8:15, Pearl River Central vs. Purvis; Thursday, 7:15, East Central vs. St. Martin; Friday, 6:15, Notre Dame vs. winner of E. Central-St. Martin; 8:45, winner of Purvis vs. PRC vs. winner of Leakesville-HNC. Finals are set for 8:45 p.m. Saturday.

Girls: Thursday, 6 p.m., E. Central vs. HNC; 8:30, Pearl River Central vs. St. Martin; Friday, 5:15, Leakesville vs. winner of E. Central-HNC; 7:30, Purvis vs. winner of PRC-St. Martin. Finals at 7:30 p.m. Saturday.

Live it up with a gas dryer

You'll find more time to enjoy life when you put a gas dryer to work for you. Laundry comes out sweet-smelling and soft, because gas has a gentle touch. At the same time, dependable gas dryers are fast—fast enough to keep up with your automatic washer.

You can dry up to 100 loads for \$1 in a new gas clothes dryer. Compare that to the cost of operating other dryers. Gas clothes dryers cost less to install, too, because they require no special wiring. See the new GAS dryers right away—at your dealer's or the gas company.
